THE MINISTER OF STATE OF THE MINISTRY OF SURFACE TRANSPORT (SHRI JAGDISH TYTLER) : (a) Consequent upon the Revised Resolution for augmentation of the Central Road Fund adopted by the Parliament in May 1988, 401 schemes costing Rs. 289.27 crores were received from the Government of Andhra Pradesh for approval under Central Road Fund. These schemes could not be processed because the actual augmentation of Central Road Fund as per the Revised Resolution has not taken place yet. Proposals from Andhra Pradesh for Upgradation of Roads

2574. DR. YELAMANCHILI SIVAJI : Will the Minister of SURFACE TRANSPORT be pleased to state :

(a) what are the details of the proposals received from Andhra Pradesh which are pending with the Central Government for upgradation of the State,: Roads and Natio nal Highways and since when; and

(b) at what stage of consideration are these proposals at present ?

THE MINISTER OF STATE OF THE MINISTRY OF SURFACE TRANSPORT (SHRI JAGDISH TYTLER) : (a) In February, 1992, the Government of Andhra Pradesh had recommended nine proposals for declaration as new National Highways as per attached Statement *{See* below).

(b) The funds earmarked for Central Sector Roads Programme in the 8th Five Year Plan are hardly sufficient to take care of ongoing works on the existing National Highways. It is, therefore, difficult at this stage to declare any new National Highways. However, the position would be re-examined at the time of mid-term review of the 8th Plan if the allocation for National Highways is suitably iatreased.
